Good Evening Mr.Leung,

I just wanted to ask if there was a TA evaluation that I could do. I also want to take a moment and thank you for your help in 21-259 this semester. I was extremely happy with my final grade and I think a lot of it had to do with your help throughout the course. Thank you for responding to my emails and your recitations were always extremely helpful. I'm unsure whether you will continue being a TA for the course but your future students are very lucky to have you.

Thank you again and I wish you all the best in your future endeavors!

Sincerely,
